 - White paper provided to USACE

Global Leader in Munitions Response

NAOC 2018 Capitol Fly-In

NAOC 2018 Capitol Fly-In

- NAOC DC fly-in is March 13-14
- Mini Fly-In TBD
 - Once the Congressional calendar is released we will be firming this up
- Changing up the format a bit to promote more Congressional attendance
 - Holding the reception after the Office Visits
 - Allows the opportunity to invite Members and Staff while you meeting them

NAOC 2018 Capitol Fly-In

- What is our Message???
- In order for the Government Affairs team to be effective we need to define what goals we want to achieve and use GAC as a tool to achieve those goals whether they are legislative action, new initiatives, or legislative influence.
- Need more input prior to the Mini-Fly In and the Fly-In

Global Leader in Munitions Response

Appropriations and Authorization

Appropriations and Authorization

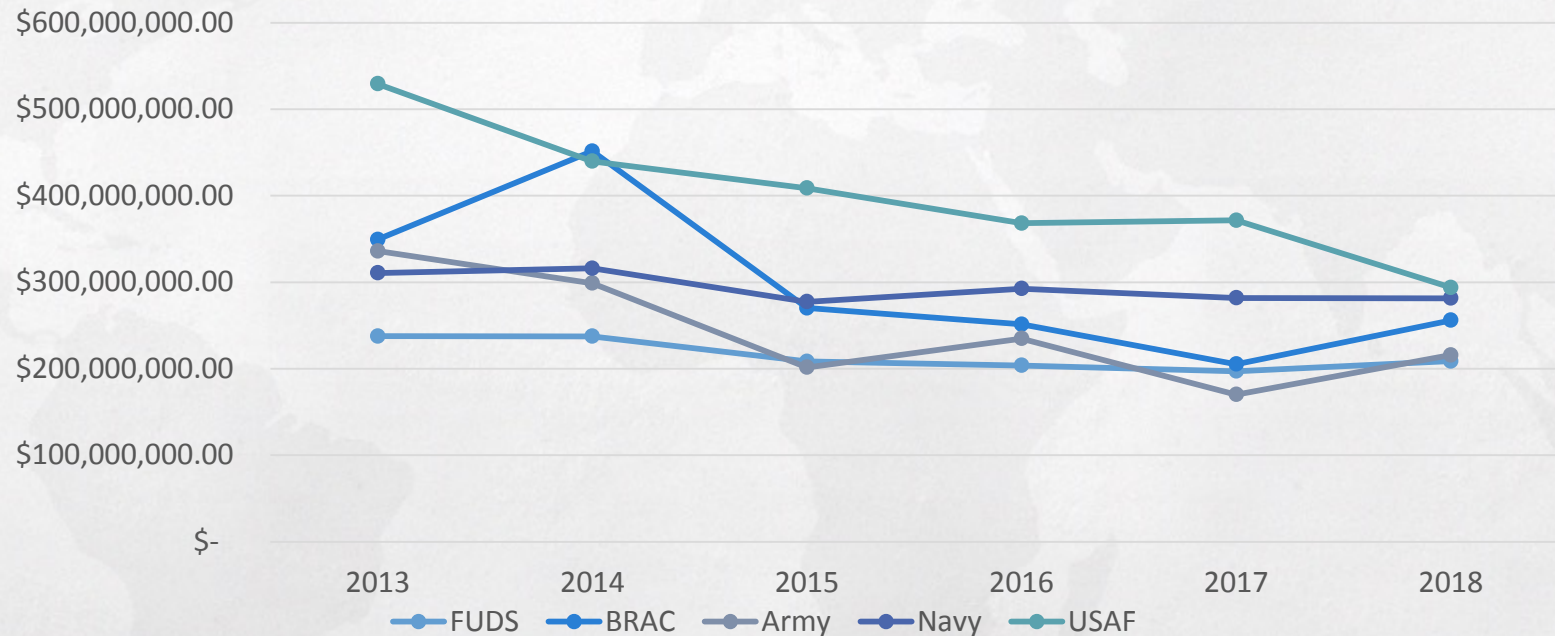

- Congress Currently working under a Continuing Resolution for FY 2017 through December 8th
 - Congress Currently working under a Continuing Resolution for FY 2017 through December 8th
 - Another CR through Dec. 22 is likely
- Submitted 25 Request for Funding (FY18) to the House and Senate
 - Requested that 30% of the ER budget be dedicated to MMRP for FY18 Budget
 - Letter signed by a total of 29 members signed the Defense Subcommittee House Committee on Appropriations as compared to 22 last year.
 - Rep. Crawford signed the letter. First Republican to sign our request.

Appropriations and Authorization

- FY18 ER funding levels ER FUDS
 - ER Army - \$215,809,0000
 - ER Navy - \$323,649,000
 - +42.2 million for PFOA/PFOS Remediation
 - ER Air Force - \$323,749,000
 - +30 million PFOA/PFOS Remediation
 - BRAC - \$290,867,000
 - +35 million
 - ER FUDS - \$208,673,000
 - ER DW - \$9,002,000

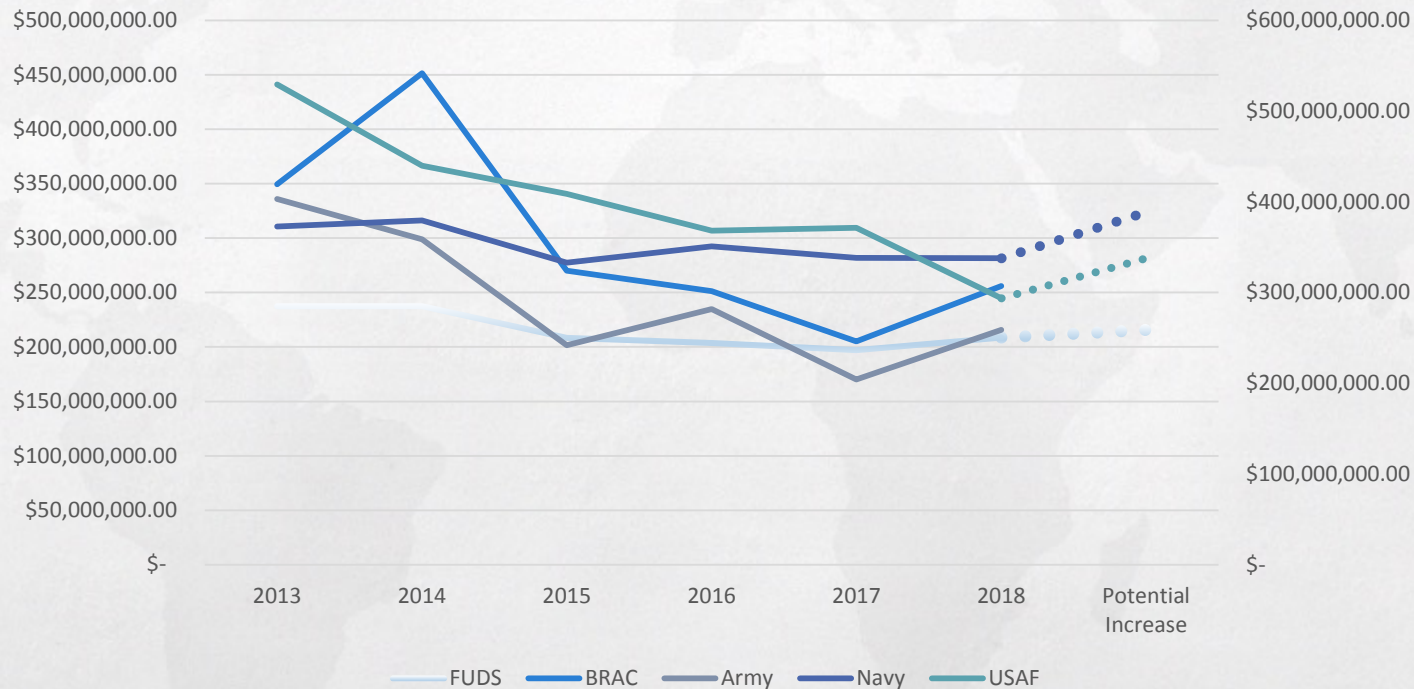

ER Funding Trend

House and Senate

Graph includes PFOA/PFOS Funding Increases
 \$42.2 million to Navy ER Funding
 \$30 million to Air Force ER Funding

ER Funding Trend

Potential Increase in ER Navy, Air Force & FUDS Programs
Funding could fall somewhere on the dotted lines for each program

Global Leader in Munitions Response

2018 UXO Caucus

UXO Caucus

Merge the efforts of the UXO Caucus with the EOD Caucus

- Rep Farr previous Chair for the UXO Caucus retired
- Blumenauer's office has not registered the UXO Caucus for the 115th Congress
 - They have not found a Republican to co-chair and Mr. Blumenauer does not want to start it unless he has a Republican.
- Rep. Crawford Chair of the EOD Caucus
- Challenge to get Republican support
- Efforts continue and progress being made to merge the efforts of two Caucus's
 - TLG met Rep Crawford at a fund raiser and brought it up. Rep. Crawford seems in support of merging the two caucuses and has stated that he supports registering the Caucus as the EOD/UXO Caucus.
- The EOD Caucus supported (in writing) NAOC's Issue to support FUDS Funding for clear-up

Global Leader in Munitions Response

Low Price Technically Acceptable (LPTA)

LPTA

- Request from House Armed Services Committee (HASC) to provide a White Paper addressing LPTA concerns for MMRP
 - Letter provided to the HASC
- TLG spoke to the Defense Procurement Acquisition Policy (DPAP) office regarding the DFARS/LPTA issue.
 - NAOC provided input/comment regarding the National Defense Authorization Act (NDAA) for Fiscal Year (FY) 2017 as suggested

Global Leader in Munitions Response

Guam

Guam

- NAOC Wrote a White Paper concerning Guam Munitions Response (MRS) Issues (2/17)
 - Provided to the House Armed Services Committee
 - White Paper provided some observations and recommendations from NAOC MRS Providers working on the Island of Guam
 - Recently the DoD reported to Congress
 - Reflected many of NAOC's points
 - Hoping hear more from NAVFAC HQTRS this week
